

# NHG Tissue Governance Framework

<sup>^</sup>TPIC: Tissue Principal-Person-In-Charge

\***Institutional Tissue Bank Committee (ITBC)**- An institution endorsed committee, which comprises of: (1) **clinician(s)**, (2) **researcher(s)** and (3) **Institution Representatives for research**. ITBCs have been set up in TTSH, IMH, NSC, KTPH and GERI.

**MOH:** In cases where the researchers are unable to take on the role of a TB, they may make arrangements to come under the ‘**motherhip**’ of a TB that has notified MOH, which will allow supervision and control of their tissue banking activities by the “**motherhip**” TB.
